Session 1 The Redeemer Responds

* Bible Passage Exodus 2:23-3:22

* Session Outline

- God responds by listening to the prayers of the oppressed (Ex. 2:23-3:10).
- God responds by revealing His character (Ex. 3:11-15).
- God responds by promising redemption (Ex. 3:16-22).

* Christ Connection

God told Moses His name "I AM" as a revelation of His good and righteous character. Jesus is the great "I AM" who gave us an even greater revelation of God's goodness and righteousness.

* Missional Application

God calls us to be conscious of the plight of the oppressed and, in response, to show and share the love of God.

* Car Talk

What did you learn from today's message? How would you apply what you learned to your life: What will you try to do? or what will you try not to do? (Parents share first)

* Family Talk

- Share with your family about a time when you asked God for help.
 - The story of Moses is pointing to the greater One who is yet to come. Who is that person? (It is Jesus who came to this world to save people from their sin.)
- Read Psalm 139:13-16 and talk about God's plan for your family.

* Family TCG Discussion Questions (Session 2)

- Why do you think so many assume obedience leads to ease and comfort instead of difficulty and resistance?
- When was the last time you were discouraged by God's timing or lack of intervention in a difficult situation?
- What are the false gods our society turns to for security? How does God stand over against these false gods in judgment?
